College Broadcasters, Inc.'s
Petition to Participate

Pursuant to the "Notice announcing commencement of proceeding with request for Petitions to Participate," which appeared in the Federal Register on January 3, 2014, College Broadcasters, Inc. ("CBI"), submits its Petition to Participate ("Petition"). CBI is a national membership association of non-profit, student-staffed radio stations and electronic media outlets. CBI intends to fully participate in the royalty rate proceeding to determine the reasonable rates and terms for two statutory licenses, permitting certain digital performances of sound recordings and the making of ephemeral recordings for the period beginning January 1, 2016, and ending on December 31, 2020.

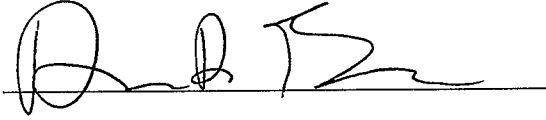

CBI has a significant interest in these proceedings as its members are student operated electronic college media outlets, from across the nation. Many of these members either make transmissions subject to the relevant statutes or are likely to commence transmissions in the near future.

This Petition is being submitted in compliance with 37 CFR 350.2, as its undersigned attorneys are member of the bars of the State of California and District of Columbia, respectively.

With this Petition CBI submits the required filing fee of \$150.

Dated: January 27, 2014

Respectfully submitted,
